Named after Dublin's "Red Light" district as featured in James Joyce's *Ulysses*, Nighttown possesses the ambiance of Irish pubs and turn-of-the-century New York bars. Since its opening day on February 5, 1965, Nighttown has been a model of consistency & a neighborhood staple. And... Nighttown has the best live jazz— cited by *Down Beat Magazine* as one of the top "100 Best Jazz Clubs In The World."
